

Leica Geosystems Service Center Authorization

Leica Geosystems AG, Heerbrugg (Switzerland) confirms, that the Service Center of

GEFOS Inc. Prague, Czech Republic

is authorized to perform maintenance and repair work on products of Leica Geosystems AG.

The Service Center is authorized to issue calibration certificates in accordance with our highly approved standards.

This authorization is based on a successful audit of the Service Centre performed by Leica Geosystems AG based on the following principles:

- Technical service staff has successfully passed Leica Geosystems' product specific service training
- Leica Geosystems' product specific work instructions are strictly observed
- Only Leica Geosystems' original spare parts may be used
- Only Leica Geosystems' product specific tools, jigs and installations may be used

This authorization is valid until 13th March 2021 *

Leica Geosystems AG

14th March 2017

Gerhard Schwärzler
VP Global Operations
Leica Geosystems AG

Fulvio Dal Molin
Senior Service Auditor
Central Technical Service CTS

* This Authorization is based on a valid Service Partner Agreement. In case of termination of the existing Service Partner Agreement, this Authorization becomes invalid as of date of termination.
